### BULLETIN No. 2

As was noted by the Appendix S of FIA ISC and FIA ETRC Covid-19 protocol, in the high-density area is mandatory to wear the mask. Because of the high temperatures, there might be some exemptions:

- a) if the team members stay in their Covid-19 bubble space (in this case is still advising to wear the mask);
- b) if the team member is outside his Covid-19 bubble space with the keeping a social distance of min. 2 meters from anybody else outside his bubble;
- c) if the driver is wearing the balaclava and the helmet.
